KPSC Member Benefits

KPSC provides swimmers and their families with the opportunity to embrace a club which is setting the standard for innovation and personal development. We are focused on the development and preservation of our strong 'club culture' embodying the ethos of Knox Grammar School and Pymble Ladies' College

Benefits of membership include:

- Swimmer focused, coach driven, and parent supported philosophy.
- Technical and emotional support for developing and elite swimmers alike.
- World class, innovative coaching methods, and training techniques.
- Family friendly and community responsible club activities.
- Uniform packages for national level swimmers.

Mini Membership

- This is the membership for all Knox Pymble swimmers that are 6 years of age or older at the time of purchase and who are enrolled in LTS or Junior Development Squads at Knox or Pymble.
- This product is the perfect introductory membership for young swimmers who like to experience competition in a supported environment where participation is celebrated. Mini Membership can be upgraded at any time throughout the season.

[How Do I Upgrade to a Competitive Membership – Swimming Australia Online Support Portal](#)
