

Knox Pymble Swim Club 2023-2024
Our Club, Our Swimmers, Our Community

Welcome!

For our returning members and our new members, welcome to the 2023-2024 season.

It's membership renewal time and we hope you all have had a great year of swimming and we look forward to another exciting year of fun racing.

KPSC Membership

KPSC is asking all returning members to complete the [KPSC Renewal Form](#) and new members to complete the [Membership Eligibility Form](#).

Key changes to our membership forms:

- ✎ Reading and accepting the KPSC Code of Behaviour Policy, KPSC Privacy Policy, KPSC Social Media Policy, KPSC Child Safe Policies, KPSC terms and conditions of membership.
- ✎ Consenting to my own/ my child photograph/quote/video/image imagery to be used on KPSC news and social media platforms.
- ✎ Providing your current Working with Children Check Number and Expiry Date.

Please upload the completed Membership Renewal or Membership Eligibility form to Swim Central. Instructions on how to do this can be found on our website. [How To Join 怎样加入](#)

KPSC's [policies and procedures](#) outlined on the website incorporate Knox Grammar School, Pymble Ladies College and Swimming Australia codes of conduct, complying with Safe Sport Framework, Child Safety Standards and Sports Integrity guidelines.

Membership fees for the 2023-2024 season.

Outlined in the table below are the membership fees including the set fees from Swimming Australia, Swimming NSW and SMNE plus the KPSC club component membership fee.

This year sees a significant increase in the Swimming Australia and NSW components. However, SMNE component has remained the same as 2022-2023. As a committee in recognition to the rising costs of living, the decision has been made to not increase the club component fee.

We have made some adjustments to our membership products on offer, reflecting the varying levels of financial commitment the club anticipates for the different level of our athletes.

Member Obligations

As is the case in most community organisations, families are expected to participate in the running of meets in which their swimmer is participating in. This not only shares the club's responsibilities among everyone involved, but also helps to create an atmosphere of social interaction, which has been a cornerstone of the KPSC's success over the years.

At all meets if you have a swimmer, we require you to assist with timekeeping. At all times we will assist our first timers with understanding the role and will attempt to roster you on around the time of your swimmer's events.

At SMNE and NSW carnivals it is essential that you are available for your timekeeping shift. If you cannot take part please notify knoxpymblejrrosters@gmail.com

Currently KPSC is short of qualified technical officials who are instrumental in running official swim meets. If you are interested in learning more, please email KPSC Vice President kpsclub.vicepresident@gmail.com

We will continue to develop our offering of Club nights, Invitational meets and other social events. In addition, KPSC will continue to support our swimmers and coaches at local, SMNE, State and National competitions. Thank you for your continued support as we head into the 2023-2024 year. We look forward to seeing you all in the stands and on pool deck.
